Session 1 - June 11– June 14

Session 2 - June 25-June 28

Parent child: This course is for a child age 6 months through three years old and parent or other trusted adult together in the water. During class, we introduce parents & children to an aquatic setting, teach basic water safety, introduce basic water skills, and have fun using water toys and interaction with other children.

Choose between: 9:10-9:35am; 9:40-10:05am and 10:10-10:40am

Specific class times are subject to change based on enrollment.

Beginner Class (ages 3 & older): Designed for new swimmers, this beginner level helps children develop safe pool behavior, adjust to the water and a group situation, & develop independent movement in the water. During class, we encourage children's limited, but growing independence; focus on enhanced basic aquatic safety for parents and children. A parent or trusted adult may accompany child.

Choose between: 9:10-9:35am; 9:40-10:05am and 10:10-10:40am

Specific class times are subject to change based on enrollment.

Advanced Beginner (ages 4 & older): This advanced beginner level is for children who are already comfortable in & under water and are comfortable with bobbing under water, being in a group & following instruction, moving through the water without an adult (with or without a float belt), and floating on front & back.

Choose between: 9:10-9:35am; 9:40-10:05am and 10:10-10:40am

Specific class times are subject to change based on enrollment.
