

## **Mandatory Filing Affects Every Resident**

---

Beginning with your 2012 city tax return, all residents of the City of Marion (18 years of age and older) will be required to file a city income tax return with the Marion City Income Tax Department on an annual basis.

- The term “resident” applies to anyone whose permanent legal residence is located in the City of Marion. This includes those who own their homes and those who rent the apartment or home in which they live. If you have questions about your residency status, please contact the Income Tax Department at (740)387-6926.
- Mandatory filing also applies to persons who in the past did not have to file a return with the City of Marion because they had Marion income tax fully withheld from their wages.
