## MEET BECKY YANNITELL

By Laura Ustaszewski

The fresh vegetables grown at the Marion Senior Center during the spring and summer are brought to you in part through the hard work of Becky Yannitell.

Becky, who has been coming to the senior center for about two years now, helps out with the Garden Club—planting, harvesting and cooking with the resulting produce. “I help with the cooking demonstrations, it’s one of the more fun things,” Becky said. “I like working with Carol (Kelly), we both love cooking.”

Becky added that they’ve made some interesting desserts with things from the garden. “We’ve even used cooked beets,” she said.

The Garden Club, she explained, works with the raised beds the Center has out by the tennis courts. Carol raises vegetables all summer long. “We help plant, water and take care of the beds,” Becky said. “Then we get to eat it! Carol likes interesting vegetables and likes to introduce people to them—like chard.”

In addition to the Garden Club, Becky participates in the Adventure Club at the center. The Adventure Club visits a different park every other week during the summer. “We hike,” she said. “And, of course, eat ice cream.”

Last year, she said, they went to a park near Lexington, as well as visiting the preservation parks in Delaware. “We meet six times in the summer,” Becky said. “It’s really a fun activity.”

In addition, Becky takes advantage of the exercise equipment at the center and uses the treadmill.

“I also go on other trips,” she added.

What Becky likes best about the senior center is the opportunity it provides to get to know different people.

When she’s not helping out at the senior center, Becky is a member of three book clubs (“So I read a lot!”), is a representative to the Ohio 5 District Council on Aging, volunteers with the Marion County Historical Society and, until recently, served on the LEI committee at OSU Marion.

Originally from western Ohio, Becky lived in Columbus for many years but has been in Marion for almost 30 years.

At 73, Becky enjoys being retired. “It’s wonderful. I didn’t think I would ever get here, but it’s lovely to not do payroll anymore.”

She also enjoys having extra time to read. “Having time to read is one of the best perks of being retired,” she said. She also worked the library book sale this year and really enjoyed it and enjoyed meeting all the people who came in.

Becky has two children, a son and a daughter, and one grandchild. Her daughter lives locally and her son, daughter-in-law and granddaughter live in Olympia, WA. “I’m really excited,” she said. “I bought tickets to go visit in June.”
